

What Is Bump In and Bump Out?

Marrickville Town Hall – usually 4 dances per year

Setup for a Pollys dance at Marrickville Town Hall is a lot of physical work, we need to transform the hall

From This

To This

And at the end of the night we have to put it all back the way it was and clean the hall.

But it's not only the hall, there is the kitchen, bar, sound equipment and front foyer:

Roundhouse – Uni of NSW – usually 1 dance per year

Setup for a Pollys dance at the Roundhouse University of NSW is quite different to Marrickville Town Hall. The majority of work has been done by the Roundhouse staff.

We still need to....

Set tables with cloths, table numbers and seat numbers.

Dress the stage with backdrops and props.

Dress and setup the front foyer and raffle ticket area and set and arrange the dressing rooms.

And at the end of the night we pack up all Pollys owned equipment and remove it from the hall.

What We Do At Both Dances

Apart from the Bump In and Bump Out duties at every dance, our devoted members also complete a myriad of other tasks during the evening:

Marrickville Town Hall

- Meet and greet patrons
- Scan tickets on entry
- Sell raffle tickets
- Escort patrons to their tables
- Staff the bar and kitchen – selling drinks and food and food preparation
- Perform in the shows

The Roundhouse – Uni Of NSW

- Meet and greet patrons
- Scan tickets on entry
- Sell raffle tickets
- Escort patrons to their tables
- Perform in the shows
