A fun, safe, dance space since 1964

What Is Bump In and Bump Out?

Marrickville Town Hall – usually 4 dances per year

Setup for a Pollys dance at Marrickville Town Hall is a lot of physical work, we need to transform the hall. Fortunately, we have hired some strong workers to move the heavy stuff!

From This	**To This**

And at the end of the night we have to put it all back the way it was and clean the hall.

Again, our hired workers come in to move all the heavy stuff!

But it's not only the hall, there is the kitchen, bar, sound equipment and front foyer:

Roundhouse – Uni of NSW – usually 1 dance per year

Setup for a Pollys dance at the Roundhouse University of NSW is quite different to Marrickville Town Hall. The majority of work has been done by the Roundhouse staff.

We still need to….

Set tables with cloths, table numbers and seat numbers.

Dress the stage with backdrops and props.

Dress and setup the front foyer and raffle ticket area and set and arrange the dressing rooms.

And at the end of the night we pack up all Pollys owned equipment and remove it from the hall.

What We Do At Both Dances

Apart from the Bump In and Bump Out duties at every dance, our devoted members also complete a myriad of other tasks during the evening:

Marrickville Town Hall	The Roundhouse – Uni Of NSW
• Meet and greet patrons	• Meet and greet patrons
• Scan tickets on entry	• Scan tickets on entry
• Sell raffle tickets	• Sell raffle tickets
• Escort patrons to their tables – if needed	• Escort patrons to their tables – if needed
• Staff the bar and kitchen – selling drinks and food preparation	• Perform in the shows if they desire
• Perform in the shows if they desire
